EXECUTIVE SUMMARY

The Department of Developmental Services (DDS) and the Department of Health Care Services (DHCS) conducted the federal compliance monitoring review of the Home and Community-Based Services (HCBS) 1915(i) State Plan Amendment (SPA) program from June 14–25, 2021, at Alta California Regional Center (ACRC). The monitoring team members were Hope Beale (Team Leader), Bonnie Simmons, Nora Muir, Fam Chao, and Natasha Clay from DDS, and Brent Garbett and Deeanna Tran from DHCS.

Purpose of the Review

DDS contracts with 21 private, non-profit corporations to operate regional centers, which are responsible under state law for coordinating, providing, arranging or purchasing the services needed for eligible individuals with developmental disabilities in California. All HCBS 1915(i) SPA services are provided through this system. It is the responsibility of DDS to ensure, with the oversight of DHCS, that the HCBS 1915(i) SPA is implemented by regional centers in accordance with Medicaid statute and regulations.

Overview of the HCBS 1915(i) SPA Programmatic Compliance Monitoring Protocol

The compliance monitoring review protocol is comprised of sections/components designed to determine if the consumers' needs and program requirements are being met and that services are being provided in accordance with the consumers' individual program plan (IPP). Specific criteria have been developed for the review sections listed below that are derived from federal/state statutes and regulations and from the Centers for Medicare & Medicaid Services' directives and guidelines relating to the provision of HCBS 1915(i) SPA services.

Scope of Review

The monitoring team conducted a record review of a sample of 28 HCBS 1915(i) SPA consumers. In addition, a supplemental sample of consumer records was reviewed for five consumers who had special incidents reported to DDS during the review period of March 1, 2020 through February 28, 2021.

Overall Conclusion

ACRC is in substantial compliance with the federal requirements for the HCBS 1915(i) SPA program. Specific recommendations that require follow-up actions by ACRC are included in the report findings. DDS is requesting documentation of follow-up actions taken by ACRC in response to each of the specific recommendations within 30 days following receipt of this report.

Major Findings

Section I – Regional Center Consumer Record Review

Twenty-eight sample consumer records were reviewed for 24 documentation requirements (criteria) derived from federal and state statutes and regulations and HCBS 1915(i) SPA requirements. Six criteria were rated as not applicable for this review.

The sample records were 99 percent in overall compliance for this review. ACRC's records were 99 percent in overall compliance for the collaborative review conducted in 2019.

Section II – Special Incident Reporting

The monitoring team reviewed the records of the 28 1915(i) SPA consumers and five supplemental sample consumers for special incidents during the review period. ACRC reported all special incidents for the sample selected for the HCBS 1915(i) SPA review. For the supplemental sample, the service providers reported all five incidents to ACRC within the required timeframes, and ACRC transmitted four of the five special incidents to DDS within the required timeframes. ACRC's follow-up activities on consumer incidents were timely and appropriate for the severity of the situation.

SECTION I

REGIONAL CENTER CONSUMER RECORD REVIEW

I. Purpose

The review is based upon documentation criteria derived from federal/state statutes and regulations and from the Centers for Medicare & Medicaid Services' directives and guidelines relating to the provision of Home and Community-Based Services (HCBS) 1915(i) State Plan Amendment (SPA) services. The criteria address requirements for eligibility, consumer choice, notification of proposed action and fair hearing rights, individual program plans and periodic reviews and reevaluations of services. The information obtained about the consumers' needs and services is tracked as a part of the onsite program reviews.

II. Scope of Review

1. Twenty-eight HCBS 1915(i) SPA consumer records were selected for the review sample.
2. The review period covered activity from March 1, 2020, through February 28, 2021.

III. Results of Review

The sample consumer records were reviewed for 24 documentation requirements derived from federal and state statutes and regulations and HCBS 1915(i) SPA requirements. Six criteria were not applicable for this review.

- ✓ The sample records were 100 percent in compliance for 15 applicable criteria. There are no recommendations for these criteria.
- ✓ Findings for three criteria are detailed below.
- ✓ A summary of the results of the review is shown in the table at the end of this section.

IV. Findings and Recommendations

1.7.a The IPP includes a schedule of the type and amount of all services and supports purchased by the regional center. *[W&I Code §4646.5(a)(4)]*

Finding

Twenty-seven of the twenty-eight (96 percent) sample consumer records contained IPPs that include all services and supports purchased by the regional center. However, one IPP did not indicate the provider of the ACRC-funded services indicated below:

Consumer #23: “Day Program.” During the monitoring review, ACRC provided an addendum dated June 23, 2021, addressing the above purchase of service. Accordingly, no recommendation is required.

1.9.a Quarterly face-to-face meetings are completed for consumers living in community out-of-home settings, i.e., Service Level 2, 3 or 4 CCFs, family home agencies or supported living and independent living settings. *(Title 17, CCR, §56047; Title 17, CCR, §56095; Title 17, CCR, §58680; Contract requirement)*

Finding

Ten of the eleven (91 percent) applicable sample consumer records had quarterly face-to-face meetings completed and documented. However, the record for consumer #18 contained documentation of only two of the required meetings.

1.9.a Recommendations	Regional Center Plan/Response
ACRC should ensure that all future face-to-face meetings are completed and documented quarterly for consumer #18.	ACRC will complete ongoing trainings to ensure that the staff are aware of the requirements to document face-to-face meetings for the consumers they visit.

- 1.9.b Quarterly reports of progress are completed for consumers living in community out-of-home settings, i.e., Service Level 2, 3 or 4 CCFs, family home agencies or supported living and independent living settings. *(Title 17, CCR, §56047; Title 17, CCR, §56095; Title 17, CCR, §58680; Contract requirement)*

Finding

Ten of the eleven (91 percent) applicable sample consumer records had quarterly reports of progress completed for consumers living in community out-of-home settings. However, the record for consumer #18 contained documentation of only three of the quarterly reports of progress.

1.9.b Recommendations	Regional Center Plan/Response
ACRC should ensure that quarterly reports of progress are completed for consumer #18.	ACRC will complete trainings to ensure staff are aware of the need to complete quarterly face-to-face meetings, as well as the documentation required to record the meetings.

SECTION II

SPECIAL INCIDENT REPORTING

I. Purpose

The review verifies that special incidents have been reported within the required timeframes, that documentation meets the requirements of Title 17, California Code of Regulations, and that the follow-up was complete.

II. Scope of Review

1. The records of the 28 consumers selected for the HCBS 1915(i) State Plan Amendment (SPA) sample were reviewed to determine that all required special incidents were reported to the Department of Developmental Services (DDS) during the review period.
2. A supplemental sample of five consumers who had special incidents reported to DDS within the review period was assessed for timeliness of reporting and documentation of follow-up activities. The follow-up activities were assessed for being timely, appropriate to the situation, resulting in an outcome that ensures the consumer is protected from adverse consequences, and that risks are either minimized or eliminated.

III. Results of Review

1. ACRC reported all special incidents in the sample of 28 records selected for the HCBS 1915(i) SPA review to DDS.
2. ACRC's vendors reported all five (100 percent) special incidents in the supplemental sample within the required timeframes.
3. ACRC reported four of five (90 percent) incidents to DDS within the required timeframes.
4. ACRC's follow-up activities on consumer incidents were appropriate for the severity of the situations for the five incidents.

IV. Finding and Recommendation

#SIR 3: The incident occurred on March 27, 2020. However, ACRC did not submit a special incident report to DDS until April 2, 2020.

Recommendation	Regional Center Plan/Response
<p>ACRC should ensure that the RC submit special incidents to DDS within the required timeframe.</p>	<p>According to ACRC SIR Tracking, the Service Coordinator submitted the SIR to the SIR Desk on 3/30/20 but the SIR Desk did not pull the SIR until 4/1/20 a.m. to process; 3/31/20 was an ACRC holiday. The Service Coordinator realizes the SIR was submitted late. The Service Coordinator will review timelines for SIRs and submit future SIRs within the correct time frame.</p>
