

**ALTA CALIFORNIA REGIONAL CENTER
2017 PERFORMANCE CONTRACT**

Public Policy Measures

No.	Public Policy Measures	Baseline 12/15	State Average 12/14	Planned Activities	Outcome
1	Number and percent of regional center caseload in state developmental center (lower is better)	79 clients or .39% of clients served by Alta	0.36%	Implement the 2015-16 ACRC Community Placement Plan (CPP). Coordinate the development of living options for individuals included in the CPP. Participate in the planning and implementation of the Difficult to Serve Project. Continue to utilize deflection options in the community to avoid unnecessary admissions to state developmental centers.	
2	Number and percent of minors living with families (includes living with own family, with foster family or with guardian) (higher is better)	8,876 clients or 99.31% of clients under age 18	99.15%	<p>Continue to provide family support such as respite services, consultation in behavioral management, parenting classes, toilet training, and adaptive skills development. Provide supportive nursing care and/or respite to medically fragile children.</p> <p>Maximize the use of community resources that provide supports to families to assist them in maintaining their children at home.</p> <p>Continue to collaborate with foster care system. Provide timely and effective outreach to families about available resources and support services (e.g., Warmline, community-based training and agency training). Explore opportunities to utilize or develop after-school programs for clients 13 to 18 years of age. Inform eligible families about IHSS benefit.</p>	
3	Number and percent of adults living in home settings (includes independent living, supported living, adult family home agency homes, and with parents or guardians) (combination of #3a, 3b, 3c, 3d)	9,042 clients or 80.32% of clients 18 years and older	78.40%	Develop competency among Independent Living Services providers, Supported Living Services providers, ACRC staff, and families (leading to increased client self sufficiency) through various teaching modalities. Maintain use of available assessment tools (e.g., transition questionnaires) to gather client data reflecting living options choices and needs. Foster client self sufficiency through the ACRC client Advocate's work with the ACRC client Advisory Committee. Provide information and resources to young adult clients in transition to adulthood, and to their families, regarding living options. Establish an expectation that service coordinators and providers work closely with clients, families and advocates to support clients' life-long planning for self sufficiency. Engage Board Advisory Committees in educating families of adults in life-long planning for clients.

Public Policy Measures

Measures Related to Reducing Disparities and Improving Equity in Purchase of Service Expenditures

No.	Measure			Planned Activities	Outcome
1	Increase awareness of the cultural diversity and improve services for all ethnic groups served by Alta California Regional Center using Purchase of Service Data Relating to Age, Race, Language, and Disability, to measure outcomes.			Statement: The Department of Developmental Services (DDS) is required to compile data relating to purchase of service (POS) authorization, utilization, and expenditure by each regional center with respect to client age, race or ethnicity, primary language, and disability detail. The data, includes residence type as well as number and percent of clients who are eligible for regional center services. The Alta California Regional Center (ACRC) is committed to providing equitable access to and delivery of culturally and linguistically competent services and supports.	
				Provide training for Alta California Regional Center Board of Directors and staff related to cultural awareness in regional center services.	
				Work with service providers to increase awareness of regional center services for minority populations they serve.	
				Offer educational supports to clients and families utilizing bi-lingual cross cultural communication mentors/translators during the intake process and continuing until an IFSP or IPP is developed and implemented.	
				Continue to hire staff that represents the diverse community served by ACRC.	
				ACRC will conduct community informational meetings to discuss purchase of service data collected and to solicit general input that would improve services to underserved populations.	
2	Percent of total annual expenditures by individual's residence type and ethnicity.			ACRC will work with clients and families to assure that residence type meets the needs of the client.	
3	Percent of total annual authorized services for individuals by residence type and ethnicity			ACRC will work with clients and families to assure that residence type meets the needs of the client.
