

WALK 'N' ROLL

October 14, 2023

9:00AM-1:00PM

Southside Park

2115 6th Street, Sacramento, CA

Reach.

More than one billion people around the world live with disabilities. Our community has a higher percentage (12.8%) of people with disabilities than other parts of California (10.6%). Many of these individuals and their families are unaware of services and supports available to them. We want to change this. Joni and Friends is committed to reaching families living with disability here in our community.

Care.

Let's bring people living with disabilities, their families, friends, vendors, service providers, and community partners together for a disability awareness event and resource fair where families can learn together. *Walk 'N' Roll* is a fun event to join together and make a difference in the lives of our neighbors living with disability and their families. Walkers and Rollers raise awareness and obtain support from individual and business sponsors. All the money raised will stay right here in our area to support Sacramento area families impacted by disability.

Connect.

Participation is so easy. You can support others, *Walk 'N' Roll* yourself... or both! Individual sponsors simply give a dollar amount based upon a Walker or Roller's involvement in the event as an individual or as a member of a team. In a similar way, your business can sponsor the event and have the opportunity to have your company recognized at the event. Remember, 100% of all donations stay local!

Join Us!

Your support as a sponsor, exhibitor, or both, will lower registration fees for this event and help us fund future events, while raising your company's profile in the disability community.
