YOU'RE INVITED...

Join us for California's most prominent "in-person" event for the disability rights movement. The "DisCo at the Capitol: California Disability Community Advocacy Conference" inspires, educates, and empowers attendees to become advocates for Californians with disabilities and their families.

The two-day event in Sacramento, CA is presented by The Arc of California, Easterseals, and United Cerebral Palsy, and features well-known speakers who are trailblazers for promoting policies that improve the disability system of services – enabling Californians with disabilities to live inclusively in their communities. Attendees include government officials, changemakers within the disabilities community, as well as self-advocates, family members, support professionals, educators and more.
