

SELF DETERMINATION PROGRAM UPDATE

Prior to enrollment in the Self Determination Program, ACRC will support the client in funding for a Person-Centered Planner and an Independent Facilitator. The Department of Developmental Services has provided multiple options regarding funding for pre-enrollment supports. The funding options are listed below and the vendored service providers can be found on the following page.

ACRC

Option A

\$2500 towards initial PCP creation and transition supports under 024 reimbursement.

Providers utilizing this option must stop accepting new clients by 11/1/24.

This option is available until 12/31/24.

Option B

\$1000 towards initial PCP creation (through 024 reimbursement).

+

Up to 40 hours of Self-Directed Supports to facilitate the transition from traditional services into the Self Determination Program.

This is accessed through either ACRC vendored Independent Facilitators or non-vendored providers with Participant-Directed Services.

*Providers accessed as Participant-Directed Services do not have to be an ACRC vendor and will be paid through an FMS.
